THE PREMIER GOLF COURSE IN THE COASTAL BEND.

Welcome to the Texas Coastal Bend and Portland, the gem city of the south, and home to NorthShore Country Club. Our Championship links style course features golfing along the shores of Corpus Christi Bay. NorthShore Country Club maintains its status as one of the most outstanding courses in the state of Texas. The course is a perfect image of the designers, renowned golf course architects, Bruce Devlin and Robert Von Hagge. A Championship links-styled course with force carries and elevated greens accompanied with 4 holes along the Bay.

Kick off the 2018 Rural Rental Housing Association of Texas Annual Convention & Trade Show with a day of fun on the golf course. It’s a great way to renew old friendships while making new ones in a friendly relaxed environment. The golf scramble is always a popular event among convention attendees.
